CALENDAR INSTRUCTIONS

Listed on the enclosed calendar are the dates of your quarter share ownership interest over the course of the next 36 months. Please use the calendar to show any owner usage weeks, and RCI/ Interval International (II) deposit weeks. **Owner is responsible for making the deposits directly with RCI or II.**

To fill out the calendar:

(1.) Circle the nights you want to stay in the Unit. *We recommend that you take a moment to check your family's school and social calendars, as well as your holiday plans when determining the use of your unit. We also suggest that, even if you are not sure of your schedule, it is best to reserve a week. It is easier to cancel your reservation than to try to accommodate a last minute request.*

(2.) It is important that you read the accompanying cover letter before you fill out this calendar. *As of January 1, 2018, **all owners on the Mount Snow Rental Program are required to release 3 full weeks to the rental pool.***

(3) Place a check mark next to the weeks that you would like to space-bank with RCI or II. *(Owner services must reserve the week **before** the week is deposited with the exchange company to assure that the dates are available)*

(4) All dates left blank will be automatically put in the rental pool.

Please complete, sign and return the calendar to the Owner Services office by September 20,2020. Keep a copy for your records. Sign and return the calendar even if you are not reserving any time or making any RCI or II deposits. In the absence of a completed calendar your unit(s) will be considered 100% available for rentals.

To ensure we have the correct information in our system, **this new calendar supersedes previous calendars.** The terms of your **Rental Management Agreement** govern this calendar.

Please note: The more notice we receive from you of rental availability, the greater the probability of your unit being rented. Optimum minimum notice for us is 30 days prior to the date you want to rent. Less than 30 days significantly decreases the chances for rental as the unit is not available for many group events and packages that are offered 30 or more days prior to the date of arrival. We, as Manager, want to maximize the number of times your unit is rented.
